**Subject: Evaluation Letter – Cooperation and Implementation of the Project
“Coaching as Skill for Youth Empowerment (COA-SK-YEM)”**

Dear INPLANET Team,

On behalf of **ACPELIA**, we would like to express our sincere appreciation for the excellent collaboration and smooth implementation of the Erasmus+ project **“Coaching as Skill for Youth Empowerment (COA-SK-YEM)”** (Agreement No: 2024-1-EL02-KA153-YOU000205124).

Throughout the project’s full duration (August 2024 – September 2025), INPLANET demonstrated remarkable professionalism, strong organizational capacity, and efficient coordination. The **Professional Development Activity (PDA)** held from **15 to 24 July 2025** at **Acharnis Kavallari Hotel Suites** in Greece was implemented to a very high standard. All logistical, educational, and intercultural aspects were well-prepared, allowing the participants and facilitators to focus fully on the learning process and objectives of the project.

As the coordinating organization from Cyprus, ACPELIA had the privilege to contribute two trainers — **Erma Georgiou** and **Dimitrios Morfis** — whose work was fully supported by the exceptional arrangements provided by INPLANET. Communication was consistent, transparent, and solution-oriented, ensuring all aspects of the program aligned with Erasmus+ quality standards. Also our cooperation with the facilitators for the management of the project was perfect.

The activities successfully reflected the project’s goals of fostering coaching skills, self-development, and innovation among youth workers and leaders. The learning atmosphere was inclusive, motivating, and supportive, enabling participants to grow personally and professionally.

We commend INPLANET for their dedication, reliability, and leadership throughout the project. It has been a pleasure to work with such a committed partner, and we look forward to future collaborations promoting youth empowerment and non-formal education across Europe.

With appreciation and best regards,

Nikolas Nikolaou
President, ACPELIA
